To Whom It May Concern

This is to certify that **Mr. Saksham Pokharel** has been employed as a **Backend Developer** at **Void Nepal Pvt. Ltd.** from November, 2024 to August, 2025.

During his tenure, he played a key role in developing and maintaining backend systems across multiple projects. He demonstrated strong proficiency in modern backend technologies, working extensively with MERN, PostgreSQL, MongoDB and NestJS. He consistently followed industry best practices in API design, database optimization, and scalable architecture.

He made significant contributions to the following key projects:
Trackynn / RestroTrackynn & Investynn

Throughout these projects, his technical expertise, problem-solving ability, and dedication to continuous improvement were evident.

He carried out his responsibilities under the mentorship of Mr. Manoj Neupane.

We appreciate his valuable contributions to Void Nepal Pvt. Ltd. and wish him continued success in his professional journey.
